

REVISED 2009/2010 Costume Workshops

Please note REVISIONS that have been made since the previous schedule. Dancers need to wear or bring costumes to these workshops. If you have TAN tights or FISHNET tights, please bring/wear those, as well as shoes, if you have them. A parent (preferably Mom) needs to attend the workshop with the dancer so that you know what needs to be done to your dancer's costume. We will also be providing you with information on alteration charges and seamstress information.

All workshops will take place at the Annex, unless otherwise noted.

Sunday, January 10
