

NOVEMBER/DECEMBER CHOREOGRAPHY SCHEDULE

Teachers and choreographers are wrapping up their choreography this month and next, therefore not all groups/privates may be seen. However, please be flexible, as teachers may request a last minute meeting with you in December, if they feel they need it to finish up the dance. All routines will be complete by Winter Break.

Rachael will meet with the Production groups to finish their section of the production. In December, she will meet with 2 groups at once to work on the transition from one section to the next. Beginning in January, she will meet with the full production group once a month on Saturdays to begin pulling it all together.

Please note changes (in **RED**) to the previous schedule.
