

RECITAL PICTURE SCHEDULE

All groups will have recital pictures taken. When group pictures are finished, dancers may have individual pictures taken if they choose. This is a service we offer to you. You do NOT have to have individual pictures taken with our photographer. However, if you choose to have your pictures taken with us, this will be the ONLY opportunity to have them taken. Also, we do request that all dancers come and have their group picture taken to go up on the wall in the studio. ALL solos, duets/trios will be taken at the times scheduled. We will NOT squeeze them in. If you do not have your picture taken, you will NOT have a picture on the Wall of Fame in the studio. **Please write your dancer's time on the calendar so they can be part of the class picture.**

ALL pictures will be taken at the Studio ANNEX. Dancers should ARRIVE in their group costume. Please bring ALL costumes and accessories to your scheduled appointment time, so you are prepared for all pictures.

All dancers are requested to ARRIVE with the appropriate costume, hair and make-up. The schedule is VERY tight and we will not hold class pictures for missing dancers. We will also not re-take pictures for late arriving dancers. **Please arrive AT LEAST 15 minutes prior to your photo time.** This will allow you to fill out paperwork AND help us stay on or ahead of schedule. Individual pictures will be taken immediately following the group picture. **All pictures MUST be paid for at the time of the sitting.** Individual pictures will not be taken without payment.

Competition Team dancers MUST have their hair and make-up done like they wear it for competition.

Recreation Classes - you will receive information with your costume that tells you about hair and make-up.
